DESCRIPTION

Uniquely offering the best of both a country house and a central city townhouse, this superb residence has it all. The layout of the accommodation, the secure gated parking for several cars, and the quiet leafy west facing garden all combine to create the perfect family living space with the benefits of the city on your doorstep.

1 Queens Parade is set back off a small green at the top corner of Queen Square, being at the end of the terrace, which allows for the secure cobbled parking area at the side of the property. Access from the parking area leads into the house and also directly into the garden.

The ground floor reception hall opens into a large dining room with double doors spilling through to the substantial kitchen/family room, allowing for an excellent open plan entertaining space. The kitchen has access directly and looks out on the garden and terrace. The first floor has a superb drawing room to the rear, again overlooking the leafy garden through a Venetian window.

It boasts a large open fireplace and bookcases with double doors into the library to the front. Off the drawing room is a small ancillary room used as a kitchenette/bar for entertaining. The fine staircase leads up again to the generously proportioned principal bedroom suite with a small laundry room, a built in walk in wardrobe and a lovely bathroom with shower cubicle. Above this are three further bedrooms and a bathroom.

The lower ground floor has self contained access from the front steps and inner courtyard. There are two front storage vaults. This floor can be used as a separate flat should one wish. A living room/bedroom leads through to a kitchen/utility room and a bathroom. There is a large dry store room and a wine cellar.

The level, west facing garden is quiet and private, backing onto Royal Victoria Park and enclosed by high stone wall. The kitchen opens onto a paved terrace leading onto the lawn with raised shrub borders with mature trees. In a far corner is a garden studio with light and power and a door leads through to the parking area.
